Diversified Growth Fund: Aquila Life Market Advantage	%			
Alternative Diversified Growth Fund: Intermediated Diversified Growth Fund	%			
Absolute Return Bond Fund	%			
Total (must add up to 100%)	100 %			

Active members only: If you want to invest in your own combination of funds, you can select a different combination of funds for Step 3 and Step 4. However, you cannot select a combination of funds for Step 3 and Lifestyle for Step 4, or vice versa.

STEP 5 – LIFESTYLE STRATEGY: ONLY COMPLETE IF YOU WISH TO CHANGE YOUR TARGET RETIREMENT AGE

I wish to select a Target Retirement Age of years.

This is the age I currently expect to draw my pension from the Scheme. I understand that if I have not selected a Target Retirement Age it will default to 65, or will remain at the age I previously advised. I understand that I can change this at a later time.

STEP 6 – SIGN AND RETURN YOUR FORM

- I have read the appropriate guides ('Additional Voluntary Contribution Scheme for Members of the Alstom Pension Scheme' and 'Your Investment Choices in the Additional Voluntary Contribution Scheme') before making the decisions confirmed on this form.
- This investment instruction replaces any previous instructions I have given. I understand that these instructions will take effect once Friends Life have processed the changes in February 2016.
- I agree to be bound by the Trust Deed and Rules governing the Alstom Pension Scheme.
- I understand that the Trustee of the Alstom Pension Scheme may hold personal information about me on computer and manual files. The Trustee may use this information for the Scheme's purposes, which will include calculations and paying benefits arising from me being a member of the Alstom Pension Scheme. I agree that you may give the information to other relevant organisations, including my employer, the Trustee's professional advisers, ALSTOM Ltd and its professional advisers, the administrators of the Scheme and the trustees and employers of other schemes if my benefits are transferred.
