Background

The Trustees are responsible for ensuring the Scheme is managed in the best interests of its members.

Their duties include the following:

- Administering the Scheme and providing benefits in line with the Scheme Rules.
- Investing the money in the Scheme for the benefit of members.
- Receiving expert advice in areas where they are not experts.

The Scheme's administrators and professional advisers help the Trustees to fulfil these duties.

The Trustee Board consists of two pensioner MNTDs, two active MNTDs, four Company Nominated Trustee Directors and an Independent Chairman. MNTDs are appointed for a period of four years.

The current Trustee Directors are as follows:
