Dear Member

**Alstom Pension Scheme – Administration Services**

I am writing to all members of the Alstom Pension Scheme (the Scheme) to let you know that MNPA, who provide the day-to-day administration for the Scheme, rebranded on 24 June 2013 to become Ensign Pensions Administration Limited. I would like to reassure you that the business is simply changing its name and there will be no impact for members or their benefits. The Scheme's administration team, telephone contact and address details remain exactly the same, however the email address will change to reflect the new name. The existing MNPA email address will remain active for a period of time and will automatically divert messages to the new email address. Full contact details for Ensign Pensions are given below.
