contributions. As shown in the table above, this means the Company will contribute a further 5% to your Alstom GPP account.

ALSTOM GPP – Form to join under Flexible Retirement

Section 3 - Additional Voluntary Contributions

Please complete this section if you want to pay regular Additional Voluntary Contributions (AVCs) in the Alstom GPP. Remember that the instructions you confirm for any regular AVCs made through Salary Sacrifice will apply until the next annual renewal (next April).

Bear in mind that unlike your ordinary contributions, the Company does not match any AVCs you choose to pay. This means that if you are considering AVCs but have selected an ordinary contribution rate of less than 8%, you should first consider increasing the level of ordinary contributions so that you are maximising the contributions that the Company makes towards your retirement savings in the Alstom GPP.

I wish to pay the following regular AVCs to my Alstom GPP account – a percentage of my Pensionable Earnings

have ticked the relevant box below to confirm how I want my regular AVCs to be paid.

I want to make my regular AVCs through Salary Sacrifice for pension contributions.

I understand that I will not be able to change the amount of AVCs being made through Salary Sacrifice until the next annual renewal (next April), unless I experience a qualifying lifestyle event in the meantime. However, I will be able to make further AVCs outside Salary Sacrifice at any time. This includes regular and one-off AVC payments.

OR

I do not want to arrange my regular AVCs through Salary Sacrifice for pension contributions.

If you do not complete this section, it will be assumed that you do not want to pay regular AVCs.

If you decide that you want to pay regular AVCs and do not tick one of the two boxes above, your regular AVCs will be through Salary Sacrifice for pension contributions and you will not be able to change them until next April.

Section 4 – Investing the contributions that your GPP account receives

I understand that the contributions my GPP account receives will initially be invested in the default option, the Alstom Income Drawdown Lifestage Default Approach (as explained in the guide called 'Your lifestage investment approach and core fund choices') and a target retirement age of 65 will be applied to my membership. I also understand that I can change my investment arrangements and/or my target retirement age once my policy with Aviva has been established (after my Alstom GPP account has received its first contribution).

For details of the range of investment options available to you, and instructions on how to change the way your Alstom GPP account is invested, please see 'Your lifestage investment approach and core fund choices'.

Section 5 - The declaration and your signature

- I confirm that I wish to join the Alstom GPP insured by Aviva on the basis indicated above.
- I confirm that I am aware that I <u>will not</u> qualify for income protection benefits under the ALSTOM Ltd Income Replacement Scheme (Alstom IRS), or death in service benefits under the ALSTOM Ltd Group Life Assurance Scheme (Alstom GLAS).
- I confirm that the total contributions, in respect of which I am entitled to tax relief, to all UK pension schemes on my behalf does
 not exceed the higher of £3,600 or 100% of my relevant UK earnings (broadly earnings from employment or self-employment). I
 shall advise Aviva within 30 days if I cease to have relevant UK earnings.
- I consent to my employer (including its agents) to arrange for me to join the Alstom GPP and to pass any information about me, which might reasonably be needed to set up a policy for me under the Alstom GPP to Aviva (and its agents) and to any financial adviser connected to this arrangement.
- I confirm that I am a resident in the UK and I will inform Aviva if I cease to be a UK resident.

Please return your completed form to:

Alstom Pensions Department, Newbold Road, Rugby, Warwickshire, CV21 2NH

To be completed by Payroll

PLEASE USE BLOCK CAPITALS

I confirm that the payroll records have been updated to show that the member has joined the Alstom GPP under Flexible Retirement with effect from:
(this should be the day after leaving the Alstom Pension Scheme or Railways Pension Scheme)
I have received an APS11 from AES indicating a date of leaving the Alstom Pension Scheme of:
